

TRIPLE NAME TRACING

Supplies:

- Paper
- Pencil
- Highlighter
- Craft Glue
- String
- Scissors

1. Write your child's name on a piece of paper with a highlighter.
2. Have your child trace the highlighter with a pencil.
3. Trace over it again with glue and stick pieces of string to the glue to make the letters.

Tips:

Holding and cutting the string can be difficult to manoeuvre. Help your child by holding it in place while they cut. For kids that find it difficult you can pre-cut the string to the length for each letter.
